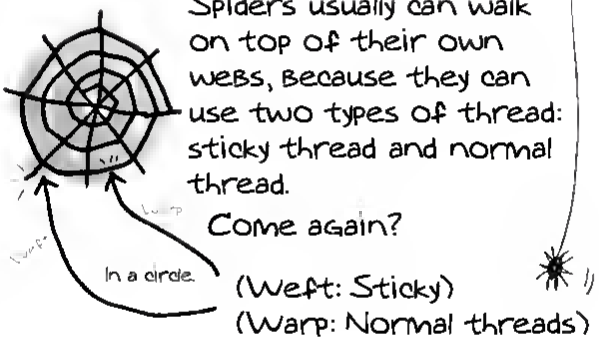
FIRST ANIMAL



Spiders usually can walk on top of their own webs, because they can use two types of thread: sticky thread and normal thread.
Come again?
In a circle.
(Weft: Sticky)
(Warp: Normal threads)

In the middle of the mountain at that place.
where merely the forest was reflected in people's eyes.
there lived many animals.
This is the story of those animals that lived in that forest
.....
What's this?
They're sleeping...?
HEY, YOU GUYS SHOULDN'T SLEEP SO CARELESSLY AT SOMEBODY ELSE'S PLACE
Japanese Honeybee (♂) x 2
(Honey & Bee)

SHOCK
!!!
spider!?
HEY
GAAAH A SPIDER~!!
Acrocoe Amoena (♂) (Shiori)
You got yourself caught in the web...
Huh?
'CAUSE SHIORI DOESN'T EAT OTHER BUGS
DON'T BE SCARED!
Himehana Praying Mantis (♂) (Himehana)
Since when were we friends?

MANSION

Seedy
WE'VE FOUND IT, HONEY! THIS WILL BE OUR NEW HOME! IT'S A BIT DIRTY AND SMALL, BUT LET'S DO OUR BEST, OK?
Right, right!
Our best!
YOU'RE GONNA STAY!?
How rude!
Hurry up and go home!
Ah, good morning, Honey!
Bee! Say good morning~
Bee
YUP, SHIORI HAS AN UNBALANCED DIET
SAY, SO HE'S NOT GOING TO EAT US?
But he's a spider
R-REALLY!?
Bee
BUT I WANT TO PROTECT HONEY!
WE WERE EXPELLED... AND NOW WE DON'T HAVE A HOME!
I'M BEGGING YOU!
?
?
.....

THERE ARE MANY OTHER BEES WHO CLAIMED THIS AREA AS THEIR TURF!
AND IF WE WENT TO THE LION'S DEN WE'D BE THE OPPOSITE OF SAFE, RIGHT!?
SO I'M BEGGING YOU! PLEASE LET US STAY HERE!
YOUR NAME?
I pretty much already knew that.
SHIORI-KUN
Honey! ♡
And Bee!
Let's be close friends, Shiori!
hug
Good close friends!
PLOP
GUESS I HAVE NO CHOICE
IT'S FINE FOR JUST A LITTLE WHILE
Mm!

We're mating. ♡
FLOSS
FLOSS
Do that with the queen bee!
What do you think you're doing?!
Their flying is noisy
buzz buzz buzz buzz
Yeah~!
He said it's fine! Isn't that great, Honey? ♡
Aah, Bee~ ♡♡
Ah! ♡
It's true! Scary!
Incidentally the males who lose the competition for the queen are driven out by the worker bees (females) The honeybee hive is a matriarchy
Scary
Shut up!! That's it, you should go home!
There isn't any love in it either, right!?
Yeah
Idiot! If we do, our genitals would fall off and then we would die!
IF THAT'S THE CASE THE OTHER SPIDERS ARE GONNA BE JEALOUS OF YOU
Lunge
THE HONEY BEES LEFT THEIR HOME, HUH..
Huh
SIGH

OTHER SPIDERS CAN DO WHATEVER THEY WANT
AND THOSE BEES WERE EXILED, SO WHY SHOULD I CARE?
YOU SAY THAT,
BUT IT SEEMS HALF-ASSED WHEN YOU'RE OUT COLLECTING FOOD FOR THEM, YOU KNOW
sigh
What'd you say?!
NOTHING
I want to protect him . . .
...Shiori...
!
I love you . . . . . .
clench

WHAT
WHAT'S WRONG?!
SLAM
UWAAAAH?
I'm sorry, Shion.
Honey pulled on this by accident...
WE WANTED TO CLEAN FOR YOU AS THANKS FOR LETTING US STAY
WE DION'T RIP IT ON PURPOSE
GET OUT.
UWAAAH!!
SHOCK
!?

WHAT--? DON'T HAVE TO GET SO ANGRY!
WASN'T IT JUST SOME CLOTH?!
SHUT UP AND GET OUT!!
AHH
YOU DIDN'T HAVE TO KICK THEM OUT LIKE THAT
YOU SHOULD GO HOME SOON, TOO
I don't have a home.
Cause I'm a dirty dog hanyou.
stitch
stitch
Shut up.
So you're a half-dog demon, too, huh?
WON'T THEY DIE IF THEY'RE LEFT ALONE OUT THERE?

MALE HONEYBEES ARE BORN FOR THE SOLE PURPOSE OF BREEDING
SO NO MATTER HOW HARD YOU TRY, YOU CAN'T EVEN COLLECT FOOD FOR YOURSELF.
YOU DON'T EVEN HAVE A STINGER TO FIGHT WITH. PATHETIC.
ON TOP OF THAT, AREN'T YOU THE WEAKLINGS THAT COULDN'T EVEN WIN THE QUEEN OVER?
THIS ISN'T YOUR TURF, SO GET LOST. WELL?

SLAM
MALES!
WHEN YOU BASTARDS TRESPASSED ON OUR TURF?
YOU RAN AWAY. DID YOU THINK WE'D LET YOU GO SO EASILY
THAT'S FINE
BECAUSE I'LL DEFINITELY PROTECT HIM.
I may be a use-less male, but...
Eee...?
Even if I die, I will definitely...
THAT'S A RELIEF. I'LL JUST KILL BOTH OF YOU...

THUD
KYAH!!
KYAH!
FEMALE HONEYBEES SURE ARE PUSHY
Shiori...!
HUMAN FEMALES SEEM TO BE MUCH MORE RESERVED
WHY DON'T YOU TRY FOLLOWING THEIR EX--PLE HMM?

Eeeee~~~~k
Kyah~
Shiori's here~!
YOU PROTECTED HIM WELL.
Kyah~
HE SURE IS ENERGETIC
Let's go home...

IT'S ALREADY DARK
LET'S GO HOME
!
?
YEAH...
You go home.
What the hell!

Ta-Da
...Huh?
I didn't fix it...
You couldn't have done something at this level!
Oh.
Shiori
Specialty
Spinner
Hobby
Sewing
(house-work)

CLUNK
You're so talentless!
I had to fix it, so of course I was angry!
If you could fix it, why'd you get so mad?!
YEAH.
I'M SORRY, SHIORI
AND ALSO...
WE'RE MALES, SO EVEN AT HOME WE'RE HATED
THANK YOU FOR SAVING US

SO WHEN WE WERE EXPELLED I DECIDED I WOULD DEFINITELY PROTECT HONEY.
BUT HONEY IS ALWAYS SMILING, NO MATTER WHAT HAPPENS
REALLY.
THANK YOU.
Thank you, Shiori!!
Yeah!
THAT'S ENOUGH
EAT THIS AND THEN GO TO BED
Here
!
Dinner!!

More~
BANG
Ahh~ Noo~!
WHAT THE HELL ARE YOU DOING?! IT'S MY HOUSE!!!
UGH
Ahh~
"Protect"
But if we can't mate...!
Eh?!
Shut up!
CREAK

It's not male bonding. It's "animal ♂" bonding. Once the spider Shiori met the beautiful and gentle butterfly Midori, he fell in love. However Midori is "feed" to Shiori. A love that cannot possibly have a prayer. The other bugs in the story include a cicada that was born merely a week ago and his unrequited love, a camouflage bug that crosses their path. And what about the bugs who shoulder many difficulties and their earnest pure love!? There's also random bug knowledge.
The popular work drawn especially for serialization.

Translation Note (page 6):
Himehana has 'Sumaki' written next to him.
This is a joke comparing the rolled up food to people/animals
It can only be properly expressed with pictures.
See? So funny. Poor poodle
